Coronation shall not be held liable for any losses (consequential or otherwise) incurred by the investor or any other person as a result of the termination of the investment(s) unless such loss was caused by Coronation's gross negligence, willful misconduct, or fraud.
22. Coronation may deem your investment to be an unclaimed asset following a trigger event, which may include being unable to make a payment that is due to you or your estate, or being unable to contact you. Coronation may appoint tracing agents and may use all personal and contact information on record to attempt to locate you. Your investment will only be considered an unclaimed asset after a reasonable period has passed following the trigger event. Any reasonable costs incurred by Coronation trying to trace you may be deducted from the value of your investment. Any investment growth or losses on your investment will continue to accrue to you.

26. Coronation may amend this General Information and Conditions document from time to time. The latest version will be available on the website [www.coronation.com](http://www.coronation.com). All investors will be bound by these General Information and Conditions as amended from time to time.

## D: RING FENCING

1. Ring-fencing is the separation and delayed sale of units in a Portfolio. Large sales of units in a Portfolio above certain thresholds may cause ring-fencing.
2. This ensures that the sale of a large number of units will not force Coronation to sell the underlying investments at a price in the market which could have a negative impact on investors. Coronation may delay the payment of withdrawals of the proceeds of sale of units.

## E: THE FINANCIAL ADVISER

Coronation will verify each Adviser's license with the Financial Sector Conduct Authority. 2. It is the responsibility of the Financial Adviser to act within his/her FSP license conditions. Coronation cannot be held accountable for loss or damage suffered by the investor as a result of their Financial Adviser acting outside his/her FSCA licensed capabilities.
3. Advice fees agreed to between the investor and their Financial Adviser may be facilitated by Coronation who will deduct the required funds from the investment amount in order to pay the fees. It is the responsibility of the Financial Adviser (where relevant) to make sure that the investor is fully informed of all fees under this investment. VAT will be added to fees, where applicable.
4. The Financial Adviser is responsible for ensuring that the investor receives and understands all appropriate advice, product and fee information, including changes in administrative processes of the Administrator.
